

Schedule for Foundations Bible Diploma (Track 2*)

The Foundation's Diploma Program will give you a good, overall understanding of the Bible, how to read it, and the theology it teaches. Our strong recommendation is that you get a group together and work through the lessons and reflection questions together.

The year is divided into three quarters of twelve weeks each. It requires 3 hours per week. 60-90 minutes each week for listening to the lessons (except for a few weeks), 30 minutes of private, guided reflection time, and then an hour of small group discussion where you can talk through the issues raised by the lessons. Here is the schedule.
